FABRIC/CONSTRUCTION FEATURES

- 100% High Density Polyethylene Monofilament Mesh - 500 Denier - 6 oz./sq. yd - UV Resistant Knitted Shade Cloth - #4 Solid Brass Grommets Every 2' Around the Hem - Double Stitched Along Hem - 2" Reinforced Webbing Along Hem

*Cut Size: Indicates fabric used before manufacture. Due to overlapped hems, which adds strength, actual size is 4" to 6" less in each dimension.

RELIABLE WIND RESISTANT OUTDOOR PROTECTION

The BLACK STALLION® MESH TARPS are ideally suited for a multitude of uses. Great for use as shade cloth covers, netting, landscaping, lawncare and nurseries.
