The ULTIMATE Super Sunshield Silver/Black 8oz. Tarps are very rugged and designed for use under continuous outdoor exposure. Sunshield is made with High Density Woven Fabric along with UV Treated Coatings on both sides to provide extended life in the sunlight. In addition, using Sunshield with the Reflective Silver Side up will divert both heat and ultraviolet light, while using the black side up will absorb heat/ divert ultraviolet light. Both sides are Heat and Cold Resistant. Sunshield is also an Excellent Sunblock Fabric. The SHD Tarps include Patent Pending Molded Reinforced Corners, Rustproof Grommets every 18 inches and Bolt Rope Hems to provide dependable tie down Points. Sunshield Tarps are packaged in a Heavy and High Clarity PVC Plastic Bag with an Insert Label which includes UPC Bar Codes.
